Dear Ms. White:

Thank you for accepting our invitation to appear and provide testimony at a public hearing at the Defense Nuclear Facilities Safety Board. The Board plans to hold the hearing at 10:00 am on November 28, 2018, at our Washington, D.C., headquarters. The Board is open to adding a manager from an Environmental Management field office to join you on the panel at the hearing if you desire. Your portion of the hearing should last no more than one hour.

The hearing will allow you and your field office manager to discuss DOE's interface with the Board and to respond to questions from Board Members. Please contact Mr. John Pasko (202-694-7117) or Mr. Christopher Roscetti (202-694-7169) if you have questions or to make arrangements for your attendance.

Yours truly,
