Honorable James D. Watkins  
Secretary of Energy  
Washington, DC 20585

Dear Admiral Watkins:

The Board is forwarding to you later today the final draft of a comprehensive report on the first phase of its review and evaluation of DOE Orders and standards affecting defense-related nuclear facilities. Department of Energy comments will be requested.

For your convenience, I am sending you in advance a copy of the Executive Summary, which contains the findings and conclusions.

Sincerely,

John T. Conway  
Chairman
