Ms. Jean Sulc
Chairperson
Savannah River Site Citizens Advisory Board
24 Harbor River Circle
St. Helena Island, SC 29920

Dear Ms. Sulc:

Thank you for your complimentary letter of July 19, 2004 concerning the contributions of Todd Davis and Tom Burns during their assignments as the Defense Nuclear Facilities Safety Board's Site Representatives at the Savannah River Site.

I very much appreciate that you took the time to write and to compliment these two men who represent and typify the highly competent technical staff the Defense Nuclear Facilities Safety Board is fortunate to employ.

In the meantime, I believe that you and other members of the Savannah River Site Citizens Advisory Board will find that John Contardi will be equally helpful to your Board.

Sincerely,

John T. Conway
Chairman
