

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

October 30, 2015

TO: S. A. Stokes, Technical Director
FROM: P. Fox and D. Gutowski Hanford Site Representatives
SUBJECT: Hanford Activity Report for the Week Ending October 30, 2015

Staff members B. Boser, M. Forsbacka, and R. Kazban were on site to discuss open technical issues at the Waste Treatment Plant with Office of River Protection and contractor personnel. Staff member R. Quirk was on site to observe a tank farms fact finding meeting. The site reps were off site at DNFSB Headquarters this week.
