Topic: Board deliberations on the Agency's oversight role at several facilities

Summary of matters and key issues discussed, prepared by General Counsel Kevin Lyskowski:

On September 21, 2021, the Board held a nonpublic collaborative discussion on its oversight role at several existing or proposed facilities associated with the Department of Energy. Key topics included the activities performed and materials involved at each site, the presence of external regulatory entities at each site, and the Board's history of oversight at each site.
