# How EM-HQ Maintains Awareness of and Evaluates NCSP

- Establishing the Optimal oversight strategy
  - Getting the right assets with the commensurate knowledge, skills and abilities.
- Communicating with our Field Sites
- Implementing an Integrated Assessment Plan that balances support and independent types of review.
- Evaluating sources of information for awareness of potential risk to people and the environment.
  - Information from [ORPS](#) and [OPEXShare](#)
  - DOE Communities of Practice (e.g., Safety Basis, FR Conferences)
  - Working Groups
- Assessments provide valuable feedback.
